Super Snowball: In addition to increasing amount, points are awarded with increasing depth with each sprint (1; 2, 1; 3, 2, 1; 4, 3, 2, 1;...)

Bavarian Win & Out: after the set distance, the first sprint is for 5th place, the second sprint for 4th place, etc. Racers can wait, but with more than 5 racers on the track, they may finish empty handed!

Team Flying One Lap: Both members of a single team ride along the rail. Before the start/finish line the lead rider reaches back and handslings their team mate into the flying lap.

Supersprint: is an elimination race followed by a scratch race with the remaining teams.

Eliminations every 10 laps down to 3 teams plus 6 laps

Keirin: In the interest of time, only racers with the top twelve (12) flying 200m times will advance to the two (2) six (6) person Keirin Semi-Final heats, which will be seeded according to the flying 200m times. First, second and third place in each semi final heat will advance to the 1-6 final (no repechage).

For the Invitational Madison, points shall be awarded as follows:

- Team Flying One Lap: 15, 10, 8, 6, 4, 2 points

- Supersprint: 15, 10, 8, 6, 4, 2 points

- 40km Madison: 25, 15, 10, 6, 4, 2 points

Laps gained take precedence over points

Entry Fees: \$10/"Derny Team", \$15/Omnium, \$15/Keirin, \$30 per Madison Team per day.

Race day registration is available 1:00 – 1:45 and 4:00 – 5:45.
